GEN Z CRITICS CLUB CONTEST

What is the Gen Z Critics Club?

The Gen Z Critics Club brings young film critics together, allowing them to broadcast their opinions while connecting them with fellow critics.

Why should I enter the Contest?

All applicants receive 2 tickets to a NY Film Critics Series screening. 5 finalists participate in an online roundtable and receive a full access pass to the National Film Festival for Talented Youth. 1 grand prize winner gets to conduct an interview with a showbiz professional at an NYFCS event.

How Do I Enter the Contest?

You must write 1 film review and a single-page essay response to the question, "How can we increase interest in film criticism among young people?" Submissions are judged by professional film critics.

The deadline for submissions is December 9. Visit www.genzcritics.com/apply for further details.
